Quality Enhancement in Higher Educational Institutions

by

Dr.K.Subbarao, Dean, Administration, KL University, Vaddeswaram

On

04-11-16

Quality of education is essential for survival in the global competition. A balanced curriculum is one of the pre requisites for quality enhancement and to provide holistic education. To make the education learner centric innovations in learning is essential. Education is a dynamic phenomenon and a proper curriculum is essential for quality enhancement in higher education.

The IQAC of the college has taken an initiative to invite Dr.K.Subbarao, Dean, Administration, KL University, Vaddeswaram as Resource Person to deliver a lecture on quality enhancement in Higher Education and provided necessary knowledge to the teaching fraternity.

He said that in the process IQAC of the college plays an important role to improve quality in educational institution. Best practices are to be implemented in the institution which helping enhancing the quality of education.

He also emphasised certain aspects like Assessment process, procedures, grading systems and other implications. Quality enhancement and its sustenance are very important in the institutions. Monitoring and supervising teaching learning evaluation and infrastructure development are important in institutions. Expansion of advanced learning facilities and inclusion of disadvantaged groups would bring quality in education. He opined that teachers play a decisive role in developing language skills, communication skills and technical expertise among the student community.
