Automation of Academic Libraries and Information Centers, Creation of Union Databases of resources must be available in the academic libraries to promote resource sharing, information access and transfer, learning and academic pursuits. The center acts as a nodal agency for networking of libraries.

The Library of the college has taken up an initiative to invite Sri T.V.Ravi Kiran, Software Technician, Nagarjuna Govt College, Nalgonda to enlighten the teaching fraternity on INFLIBNET, N-LIST Soul Service.

He said that technology being a driving force in the contemporary education system, UGC has taken up a major initiative for the benefit of academic community in colleges under its purview. He explained that the initiative called “UGC-Infonet Digital Library Consortium” provides access to selected scholarly electronic journals and data bases in different disciplines. The center also extends access to e- resources to all colleges under a project entitled N-List funded by MHRD under its national mission on education through ICT.

He also explained how to promote and establish communication facilities to improve capability in information transfer and access that provide support to scholarship, learning, Research and Academic pursuits through co-operation and involvement of agencies concerned.
