The purpose of philosophy is to enable us to make sense of life and living. To see the world in a positive manner people should learn something about philosophy to apprehend the world. People have been trying to apprehend the world we live in since time immemorial.

The Department of Commerce has taken an initiative to invite Dr.B.Vijaya Bhaskara Rao,Professor,KL University, Vaddeswaram as a Resource Person to educate teaching fraternity on ' Jeevana Vidya' and make them lead a happy life.

Dr.B.Vijaya Bhaskara Rao in his deliberations explained the faculty that there are four aspects to be studied in reality.

- Seer: the person attempting to understand others.
- The Sight: the perspective which is being used for study.
- The proposal: philosophy or world view
- The Seen: the reality is being known
