

## Massive Open Online Courses(MOOCs)

MOOCs platforms are fast gaining popularity in the present modern education system. Students started embracing MOOCs platforms to develop deeper knowledge in their respective subjects. Considering the popularity and relevance of MOOCs, **Government of India** launched an indigenous platform **SWAYAM**. MOOCs has been launched with an objective of taking “**the best teaching learning resources to all, including the most disadvantaged, informs the official website.**”

SWAYAM MOOCs platform is the largest Online Free E-Learning platform portal designed to achieve three principles of **education policy - Access, Equity and Quality.**

In this context to learn latest technology and content, faculty have been sent for training programme arranged by Ministry of Electronics & Information Technology, Government of India

**Mrs.K.Anitha** Head, Department of Computer Science and Miss **A.Sravani** Lecturer, Department of Computer Science were sent for a one week orientation on “**OER, Content Development, MOOCs & MOODLE**” organised by **Electronics and ICT Academy, NIT Warangal and Commissionerate of Collegiate Education and AP State Council of Higher Education, Government of AP from 26-10-2018 to 31-10-2018** sponsored by **Ministry of Electronics & Information Technology, Government of India**
