We Thank our Esteemed Sponsors

THE ACADEMY

The establishment of Siddhartha Academy of General and Technical Education in 1975 was the beginning for a miraculous transformation of this region, which was hitherto Educational Sahara into an Educational Niagara. In its long journey of more than three decades, the academy started eighteen educational institutions.

ABOUT OUR COLLEGE:

Sri Durga Malleswara Siddhartha Mahila Kalasala (Degree) was started in the year 1983-84. Autonomous status was conferred on the college from the Academic year 2003-04. The Academic Programmes are being continuously updated. Keeping its tradition of upgradation of programs according to the changing needs, the college introduced 'Choice Based Credit System' from the academic year 2005-06 and also a good number of Diversified and Certificate Courses. The uniform is introduced to all the students from the academic year 2005-06 to inculcate the spirit: fraternity.

ABOUT THE DEPARTMENT

The Computer Science department was started in 1989. The Department offers Bachelor of Science in Computer Science, Electronics, Statistics and Mathematics. The department believes in continuous knowledge enhancement by means of paper publications, regular participation in seminars and workshops.

TECHSPARKS

Techsparks is a state level technical event organized by the Department of Computer Science, SDMSMK, Vijayawada. Techsparks presenting a collection of technical as well as social event, which is one of the best platform to Science students to build themselves strong at Technical field. So come and join us as a part of technical field and prove yourself. We hoped to inspire students to consider the fantastic opportunities available to them in becoming part of the next generation of Computer Scientists.
