#### **15.Multidisciplinary** / interdisciplinary

The college constantly updates its academic programs and introduces various multidisciplinary and interdisciplinary courses that integrate sciences and humanities. Currently, the university offers 20 undergraduate programs based on the guidelines of APSCHE. A fouryear degree program was introduced for the 2020-2021 batch in all streams, which offers multiple entry and exit options. Starting from the academic year 2023-2024, following NEP-2020, all undergraduate students will be required to take multidisciplinary courses. These courses are designed to significantly broaden the intellectual experience of our students. We encourage students to select courses that are not a major discipline in their higher secondary or intermediate level. It is mandatory for a student to complete three multidisciplinary courses, each carrying two credits.

#### 16.Academic bank of credits (ABC):

The key component of the NEP 2020 is ABC

The institute has an advanced CBCS system that offers a credit system for every program, allowing students to have a wide range of options in selecting subject electives. Furthermore, it is highly recommended that students participate in online certificate courses, such as MOOCs with NPTEL, Value Added courses, as well as Cocurricular and extra-curricular activities to earn extra credits.

#### **17.Skill development:**

The institute has introduced skill development programmes in collaboration with TCS, such as BBA(BPM) and CSCS. Additionally, students are given the option to choose from 23 skill development courses, 11 life skill courses, and 57 value-added courses. The institute also offers 25 need-based courses under EDC. To enhance

their multi-skills, students are required to participate in mandatory community service projects, internships, and long internships. In order to promote entrepreneurial skills and practical knowledge, the institute takes up various industry collaborative activities by entering into MoUs with various industries and academia.

**18.**Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college places significant emphasis on integrating Indian knowledge systems into its educational curricula. To achieve this, courses such as Human Values and Professional Ethics have been introduced, and Yoga sessions are conducted for all students. In fact, Yoga is a mandatory course offered to all students in the third semester, and its evaluation is done through internal and external exams.

The college also celebrates various festivals to assimilate regional pride, such as vinayaka chavithi, Sankranthi, Ugadi, and Diwali. To sensitize students towards national integrity, the college celebrates national festivals like Azadi ka Amruth mahotsav, Flag Day, Army Day, Rashtriya Ekta Diwas, and Kargil Vijay Diwas. Additionally, the college conducts programmes such as Puneet Sagar Abhiyyan and Har Ghar Tiranga to promote national unity.

The Cultural Association of the college aims to restore and preserve the dying folk and musical arts of remote rural and tribal areas. Additionally, the college regularly collaborates with NSS units to organize community outreach programs in adopted villages, to preserve the local language, arts, culture, and tradition.

Students are taught the importance of Vedic Mathematics by various notable personalities and given training in the subject.

#### **19.**Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

College has introduced (OBE) as the foundation of all Undergraduate (UG) programs, with a focus on meeting both regional and global requirements. The curriculum of all subjects includes well-defined course outcomes. Since 2019-2020, the college has implemented OBE

with clearly stated program outcomes (POs) and program-specific outcomes (PSOs), which are available on the college website.

#### **20.Distance education/online education:**

The college has well-trained lecturers who utilize ICT learning tools to the fullest. They have adopted a blended mode of teachinglearning process and incorporate various tools like Google Classroom, Zoom, WhatsApp etc. The college is WiFi-enabled and many classrooms have LED projectors installed. To complement the knowledge, other sources like YouTube video lessons, and slide share PPTs are also used by the staff and students. The college also supports LMS in all academic pursuits. Faculty and students explore and study online certificate courses to change direction and meet global requirements. Faculty and students are enriched with online training programs offered by professional organizations or companies.

#### CURRICULAR ASPECTS

#### **1.1 - Curriculum Design and Development**

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

Curriculum restructuring is a continuous process wherein framing and revision of a course starts with feedback from the respective stakeholders followed by a discussion in the department and ensuring approval from Board of Studies (BOS) and Academic Council.

While designing the curriculum, guidelines of UGC/APSHE/Parent University are taken into consideration. Suitable Program Outcomes, Course Outcomes and Learning Objectives which cater to Local, National and Global needs are framed. Periodic reviews and revision are also undertaken.

The Choice Based Credit System (CBCS) adopted by the institute has been well developed with credit system for each programme and has given wide scope to students to choose Subject Electives. The courses and programmes offered reflect Values, Goals, Mission and Vision of the institution.

During the Academic year 2022-2023 there are 21 Programmes. Projects, Field Visits, Internships, Paper Presentations, Participation in Seminars and Workshops are made part of the curriculum to cultivate research bent of mind among students. To enhance practical knowledge, more advanced topics and researchoriented lab courses also have been introduced in the curriculum. The college offers Skill Development and Life skill and add on courses to make the students fit for global job market.

#### 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problemsolving methodologies are used for enhancing learning experiences:

Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The institution has changed its teaching methodology from teachercentred to student-centred learning, in which the student is an active learning participant.

The three principal methodologies are

#### 1. EXPERIENTIAL LEARNING

Field trips focussed on experiential learning, Mock Parliament Sessions, Interviews, Green House, Vermicomposting Unit, Drip Irrigation, Mushroom Cultivation, Azolla Cultivation, Blood Grouping Camps, Rooftop Garden and Diet Counselling Sessions and Internship programmes.

#### PARTICIPATIVE LEARNING

All departments conduct Guest Lectures, Group Discussions, Quizzes, Debates, Games to make the learning experience participatory and effective. Other participative learning activities include Role Plays, Paper Presentations & Assignments Seminars and Workshops Minor / Major Projects, Field Projects, Workshops etc, Student partner MOUs with Industries to develop Mobile Apps.

#### 3. PROBLEM SOLVING METHODOLOGIES

Students are encouraged to take up Surveys and Case Studies of problem-based research from their immediate neighbourhood or areas of their interest. Computer Science students participate in real problem-solving competitions like Hackathon for coding skills. Students are trained through engagement in problem solving skills by provision of challenging assignments. Students are offered a plethora of platform to gain academic skills through a number of Inter Collegiate Competitions.

#### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

The institution ensures effective planning of teaching and learning activities through the Planning and Evaluation Committee which comprises the Director, the Principal, Heads of all Departments, IQAC Coordinator and Controller of Examinations. The Academic Calendar provides adequate balance between academic and non -academic activities, teaching and examination schedule.Academic Calendar is distributed to the students at the commencement of every academic session. The college carries out effective teaching plan and department activities in accordance with the Academic Calendar. The Academic Calendar includes Schedule of Curricular Transaction, Schedule of Internal Assessment, Curricular, Co- curricular Events, Semester End Examinations, List of Holidays and Schedule of Declaration of Results.At the commencement of each academic session the Controller of Examinations orients the newly admitted students about the examination pattern, schedule and regulations. The detailed lesson plan/teaching methodology is prepared according to course contents by each faculty member before the commencement of the semester. Each faculty member prepares an academic plan for the syllabus assigned as per the Work Diary and submits it every month to the Principal for verification. Monitoring of implementation of the lesson plan is done by HOD, Coordinator, IQAC and the Principal every month and corrective actions are suggested.

#### 2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Demand for quality of education and employable work-force is increasing globally. Keeping this in view the college has introduced Objective Based Education. The graduate attributes are a set of individually assessable outcome-based components which are indicative of a degree holder's potential to acquire competence at appropriate levels. All the programmes have specific learning outcomes relating to skills, abilities along with acquiring content knowledge and its applicability. The college has a well-structured method to measure the attainment of learning outcome through direct and indirect techniques. DIRECT ASSESSMENT In Direct Assessment the attainment is based on the results of the Internal Assessment (25 marks) and External Examination (75 marks) including the Lab Exam conducted by the college. The Course Outcome is said to be attained if the students meet the threshold of 60% for sciences and 50% for Arts. INDIRECT ASSESSMENT Feedback from different quarters is taken as a measure for attainment through indirect method which includes Course Exit Feedback from students. Employer Satisfaction Survey from the industries on the performance of the students employed. 7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

#### Title: Practice and Promotion of a Go-Green Lifestyle

Our institution is committed to embracing and promoting a "go-green" lifestyle, characterized by ecologically responsible decisions and environment-friendly activities aimed at protecting and sustaining our natural resources.

Context: Our journey towards a green lifestyle began with the establishment of the Eco club, following the directive of the National Green Crops

Practice: We have developed a comprehensive plan to tackle environmental challenges, organized into five teams dedicated to fostering environmental tutelage.

#### Evidence of Success:

Recipient of the Best Eco-friendly College Award-I Prize four times consecutively, along with Green Institution Awards.

Garbage Enzyme project was awarded a Certificate of Appreciation for eco-friendly business idea

Several of our projects have been acknowledged as Best Entries in environmental initiatives.

Problems Encountered and Resources Required:

Challenges in regulating plastic use persist.

Land scarcity hampers further plantation efforts.

Notes:

Reducing resource consumption and minimizing waste sent to landfills

Institutional Values and Best Practices:

Our institution places a high value on sustainability and environmental stewardship, integrating these principles into our curriculum and in house eco activities.. Through collaborative efforts and innovative solutions, we continue to lead by example in promoting a sustainable future for generations to come.
