

IQAC INITIATIVES_2021-2022

The role of IQAC is to identify quality benchmarks and developing a quality academic culture in all the activities of the institutions.

The two highlighting quality initiatives executed by IQAC are to offer 11 Life Skill Courses and 23 Skill Development Courses of their choice in interest of their aspirations.

Life Skill Courses emphasize on civic sense, citizenship Responsibilities, Ethical and Human values and Environmental consciousness.

Skill Development Courses enhance all round expertise of the students to improve their employment skills and entrepreneur skills.

The IQAC of the institution has initiated more collaborative academic activities in the institution designed 2 new programs in collaboration with TCS to meet the needs of the working world. Other collaborative activities include CRT classes by APSSDC, online Certificate Courses through MOOC's, NPTEL, Course to achieve success in global competition.

To meet the current needs of the job market we collaborate with industry for internships, projects, hands on training and for skilling our students. To update skills and knowledge we organize workshops, Seminars, Webinars, Conferences, academic competitions, field trips, community outreach programmes in collaboration with industries and institutions.
