

e - WASTE CRAFTS

BRIEF REPORT:

“Sky is the limit for creativity”. With the good thought of bringing out the best from waste of electronic devices and components, the Department conducted “e-waste crafts expo” every year to bring out the inherent skills of students. Students make several crafts and gift articles using electronic waste material. Snake with Keys of Keyboard, Pen Stand using Keys, Bulb Aquarium, Photo frames using CD’s, Cell phone stand using D.V.Ds etc. Beautiful idols of lord Ganesh and Buddha with electronic devices like patch cards and connecting wires, CDs.,Saree designs using DVD pieces as mirrors are few masterpieces of their creative art.
