

TELE COMMUNICATION TECHNOLOGIES

BRIEF REPORT:

A Two Day Workshop on “**TELE COMMUNICATION TECHNOLOGIES**” was organized on 14-12-2016 and 15-12-2016. A total of 30 students participated in this program. CDMA and GSM technologies were explained in detail to the final year Electronics students.

The workshop was followed by a field visit where students observed internal operations of communication units in BSNL office, Auto Nagar , Vijayawada.
