

ROBOTICS WORKSHOP ON ISENZO BOTZ

BRIEF REPORT:

A Two Day “**ROBOTICS WORKSHOP ON ISENZO BOTZ**” was organized on 22-07-2015 & 23-07-2015. 40 students participated in this workshop. Training was given to students to design models on Robotic Technologies and Embedded Systems by **Sri.Bhushan Gandhi., Research Engineer and Trainer, ARK Techno Solutions, Mumbai.** Students were trained on making live projects on robotics and were awarded certificates for their excellence.
