

# Akshaya Patra

## Objective

Akshaya Patra in Sanskrit means ‘never fail to feed people’. Keeping this in view, the department initiated the programme on 9th November, 2017 to put an end to hunger thrives of the destitutes.

## Functions

- Students collect rice, pulses and other ingredients needed for food preparation
- They also involve their parents, neighbours and friends in this noble activity by making them prepare, pack and supply food to the needy
- They supply food to the needy and homeless in and around Vijayawada.

## Outcomes

- Self Satisfaction is the best outcome of this program
- It improves team work
- It promotes social responsibility among students and cultivates helping nature and charity.
- Finally this activity leads a student to become a good citizen.
