

# Maths Fashion Show

The Maths Fashion Show was the cynosure of every eye which has brought out the innovative and intuitive abilities of the students. Students dressed up themselves in the attires related to Mathematics.

## Maths Fashion Pageant

## Participants with the Chief Guest

## SPOT PHOTOGRAPHY

2. As a part of Maths Fest, the event **Spot Photography** brought out the innovative ideas of students which were illustrious and awe-inspiring. Students have captured the beauty of mathematics in the nature.

*Hexagon*

*symmetry*

*Cylindrical and parallel Trees*

*Pattern with cuboids*

*Symmetrical Patterns*

*Shadow*

*Inclination*

*Radial Symmetry*

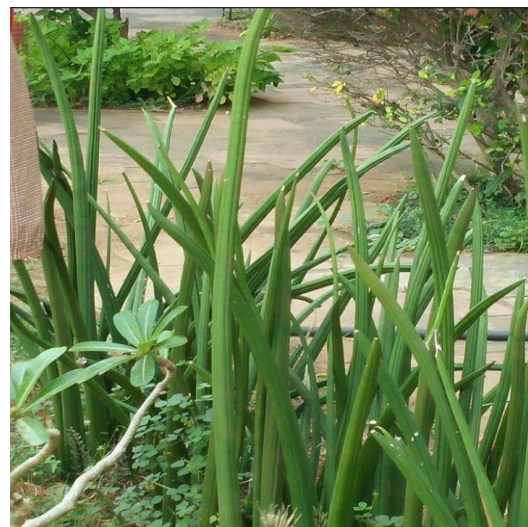

*Adjacency*

*Patterns detecting Identity*

*Asymmetry*

*Radial view of a Tree*

*Pattern that of a Triangle*

*Hexagon in a shadow*

*Pattern of Sinx graph*

*Circle Enclosed inside a Square*

*Parallel Trees*

*Spherical Pattern*

*Branching Pattern*
