

FUN WITH NUMBERS

Sk. Ayesha and L. Mounica of III B.Sc. MPC explained “Fun with Numbers” to students of 6th class, Z.P. High School for Boys, Kondapalli on 20-8-2019.

Students explained the tricks in finding squares of numbers, multiplying two digit and three digit numbers easily. Multiplying very large numbers within seconds was much applauded by students as well as staff of the school. They responded well and very much benefitted by the sessions.
