

## SIMPLE TECHNIQUES TO MAKE MATHS EASY

L. Mounica of II B.Sc. MPC explained easy techniques to solve fractions to 7<sup>th</sup> class students of Z.P. High School for Boys, Kondapalli on 5-7-2018. She also explained the methods of finding sum and products of fractions using simple techniques. Students enjoyed the sessions with great enthusiasm and responded well and were benefitted by the techniques which were useful in making complex calculations simple.

SIDDHARDHA MAHILA KALASALA,  
VIJAYAWADA-10

Respected Madam,

Sub : L Mounica II B.Sc PMC – attended motivation In MATHS -  
reg.

\*\*\*\*\*

As per your instructions L Mounica II B.Sc (PMC) with roll  
no 173151 attended our school on 05-07-2018 to teach easy  
techniques in doing fraction problems for Seventh class  
students. I noticed that this motivation class is very beneficent  
for our students.

Thanking You
