

## THE DEPARTMENT OF CHEMISTRY

### LIST OF EVENTS

Guest lectures and seminars on the topics related to Ozone were arranged on 16<sup>th</sup> September every year, coinciding with 'World Ozone Protection Day'.

The department left no stone unturned in making the event a grand success. The response from the students was amazing, and they took active part in the activities by preparing different placards, charts and models related to the topic, which caught the attention of the distinguished speakers, students and other faculty of our college, who praised them for the exhibits. By these activities audience left the hall with enhanced knowledge about Ozone, its protection and the consequences of depletion.
