

World Ozone Day

Preamble:

On the occasion of World Ozone Day Arranged a Guest lecture on “**Human Role in Protection of Ozone layer**” on 16th September 2022.

Participants:

150 Students of Chemistry.

Resource Person:

Dr.Ravi Babu Birudu, Research Scholar, Department of Environmental Science, Acharya Nagarjuna University, Guntur.

Description of the Programme:

On the occasion of World Ozone Day the Department Organised a Guest lecture on “Human Role in Protection of Ozone Layer” for I and II year chemistry students. The resource person clearly explained the reasons behind the depletion of Ozone Layer in the atmosphere. He also discussed about main sources of ozone depleting gases and consequences of ozone layer depletion. The resource person tells about the techniques and instruments which are used to measure the concentration of ozone layer in the environment. Finally he conclude the lecture with the suggestions regarding the protection of Ozone Layer.
