

Visit to Bapu Museum

Date: 09-01-2020

The Department arranged a study visit for III BA students on 9-1-2020 accompanied by 2 faculty members.

The Bapu Museum (formerly known as Victoria Jubilee Museum) is an Archaeological Museum. The structure of the building is an Indo-European style. Museum has large collection of sculptures, paintings of Buddhist and Hindu relics. Students gained knowledge in the European architecture. They admired the recently erected huge marble carving depicting Pingali Venkaiah the architect of our National Flag, handing over the national flag to Bapuji along with other National leaders.
