

## SCOPE OF FOOD SCIENCE & NUTRITION

Nature of Programme	: Webinar
Title	: Scope of Food Science & Nutrition
Number of Participants	: FMB & FMC Students
Date	: 24/04/2023
Total No. of Participants	: 250

### Brief Report:

On 24th April 2023, webinar on "Scope of Food Science & Nutrition" was organized by the Dept. of Food Science & Technology in collaboration with Alumni of Food Science & Technology and Holistic Nutrition Works. The session was addressed by the Alumni – Prasanna Arun Reddy, Sowmya Singh and C H S L Jahnvi, Nutrition Counselors, Holistic Nutrition Works. Old students of the department had high regard for the institution and expressed that they learnt the basics of nutrition during their college days at SDMSM Kalasala. They highlighted the need for nutritionists the world over post Covid and encouraged the present generation of students to learn the concepts of Food Science and Nutrition thoroughly. They stated that students would benefit both professionally, economically and personally.
