

Nature of programme : **Student Training Program**

Topic : **Current Trends in Medical Coding**

Resource person : Rajesh Kumar Assistant Manager

EPISOURCE India Pvt, LTD, Vijayawada

Number of Students : 45

Date : 31-08-2019

Brief report : Sri Rajesh has explained the medical coding as the transformation of healthcare diagnosis, procedures, medical services, and equipment into universal medical alphanumeric codes. The diagnosis and procedures codes are taken from medical record documentation such as transcription of physician's notes, laboratory and radiologic results, etc. Students were motivated to take up Medical coding as carrer for better prospects.
