

Department of Biochemistry

Nature of Program : National Level Workshop on “ Emerging Trends in Molecular Biology and Plant Tissue Culture”

Chief Guest : Prof. K.R.S. Sambasiva Rao – 11:00 am

Vice chancellor, Mizoram Central University

Dr. B. Siddhartha

Asst.Prof. Dept. of Microbiology, Pondicherry Central University.

Dr. M. Guraviah

Director, Pasteur Education And Research Training Laboratory, Guntur.

Number of students : 145 students of III FMB/FMC/BZC

Date : 17/03/2022 & 18/3/2022

Brief Report: The Department of Biochemistry, Microbiology and Botany organized a National level Workshop in association with Pasteur Education And Research Training Laboratory, Guntur. In the inauguration Prof. K.R.S. Sambhasiva Rao, explained the importance of workshop .The Resource person gave hands on experience on SDS-PAGE- Horizontal and Vertical, Polymerase Chain Reaction and Plant Tissue Culture and in Valedictory Dr. B. Siddhartha explained about importance of Molecular tools and techniques.

Demonstration of SDS- PAGE

Presentation by Dr. M. Guraviah

Students Preparing Buffer solutions

Inaugural message by Prof. K.R.S. Sambha siva Rao
