

INTERNATIONAL WORKSHOP

Nature of Programme	:	International Workshop
Title	:	“Bioinformatics”
Resource Person	:	Mr.Rama Krishna Meduri
Number of Students	:	III FMB, FMC, AZC, BZC Students & 16 Staff members
Date	:	20/07/22 & 21/09/2022

Brief Report:

Department of Life Sciences & Computer Science Department organized a two day International Workshop on “Bioinformatics” on 20/09/2022 & 21/09/2022.

The Workshop is an attempt to aware the students about the importance of BioInformatics. Topics covered in this lecture include DNA, Protein, Data Bases, and Sequence Alignments. The workshop including lecture of eminent scientist and hands on practical sessions of various bioinformatics software/tools thus participants can perform by themselves on their own computer/laptop using bioinformatics. This Workshop has created awareness in the students and students identified their role in the field of BioInformatics for the analysis of Biological data using Machine Learning algorithms and statistics.
