

SEMINAR ON FOREIGN DIRECT INVESTMENT

The Department organized a Seminar on “Foreign Direct Investment” for all the BA students on 07-03-2014.

Participants: A total number of 60 members participated in the programme.

Resource Person: Prof M. V. N.Sarma, Former Professor, Acharya Nagarjuna University, Nagarjuna Nagar, Guntur.

About the Program:

The resource person addressing the students explained that the World Investment Report focuses on trends in Foreign Direct Investment (FDI) worldwide, at the regional and country levels and emerging measures to improve its contribution to development. Apart from being a critical driver of economic growth, Foreign Direct Investment (FDI) is a major source of non-debt financial resource for the economic development of India. Foreign companies invest in India to take advantage of relatively lower wages, special investment privileges such as tax exemptions, etc. For a country where foreign investments are being made, it also means achieving technical know-how and generating employment.
