

## Department of Biochemistry

**Name of Program** : Work Shop on *Bioinformatics Tools and Techniques* in collaboration with P.B.Siddhartha college,Vijayawada and A.G &S.G Siddhartha college ,Vuyyuru

**Chief Guest** : Dr. K. Kasturi

Assistant Professor, Department of Biotechnology,  
Acharya Nagarjuna University, Guntur.

**Number of Participants** : 200 students of I & III FMB

**Date** : 08/12 /2023

**Brief Report** :

The Departments of Biochemistry and Microbiology organised a workshop on Bioinformatics Tools and Techniques in collaboration with P.B.Siddhartha College, Vijayawada and A.G &S.G Siddhartha College, Vuyyuru. The Resource Person has highlighted that bioinformatics is a field of science focus to collect, store, analyze and disseminate biological data and information, such as DNA and amino acid sequences or & annotations about those sequences. She also explained the application of computational tools in drug discovery, personalized medicine, preventative medicine and gene therapy.
