

Colligative Properties

Preamble:

Arranged a seminar (A Student Induction Program) on **Colligative Properties** on 25-03-2021.

Participants:

200 students of Chemistry.

Resource Person:

Dr.T.N.V.S.S.Satya Dev, Lecturer in Chemistry, PG, Department of Chemistry, P.B.Siddhartha College of Arts & Science, Vijayawada.

Description of the Programme:

The Department organised a seminar on “Colligative Properties” for the first year students. The Resource Person explained the importance of colligative properties like lowering of vapour pressure, elevation of boiling point, depression in freezing point etc. He also explained the importance of colligative properties in daily life. The freshers got inspired by the seminar and interacted with the Resource Person.

A seminar on colligative properties by Dr.T.N.V.S.S.Satya Dev
