

A WEBINAR ON “ROLE OF PROBIOTICS IN AQUACULTURE”

Date: 13-07-2021

No. of Participants: 72 students of B.Sc., AZC and BZC and faculty

Resource Person: Dr. Amerneni Ravi Kumar, M.Sc., M.Phil.,Ph.D
Aquaculture Expert
Founder – Ravi Aqua Academy
Nellore

Description of the Programme:

On the eve of “**The National Fish Farmers Day**” i.e., on **10-07-2021** in memory of the scientists – **Dr.K.H.Alikunhi and Dr.H.L.Chaudhary**, the **Department of Zoology** organized a Webinar on “**Role of Probiotics in Aquaculture**” for the students of B.Sc., AZC and BZC on 13-07-2021.

The Resource Person elaborated on the meaning of probiotics and the need for the use of probiotics in aquaculture in place of antibiotics owing to their harmful consequences to the consumers. He also enlightened the students on the different types of probiotics used in the culture of aquatic animals and the mode of administering them.

72 students participated in the event and enthusiastically interacted with the Resource Person seeking clarification to their doubts.
