#### **Description of the Programme:**

A National Level FDP on "Intellectual Property Rights, Copyrighting and Patenting- Moving towards Innovation" conducted on 19th July, 2024 proved to be a veritable boon to 50 online and 70 offline participants instilling the key concepts of patenting, trademarks, copyrights, industrial design which are vital in today's world of innovation and entrepreneurship. The Resource Person was **Prof. J. E. Moshe Dayan**, Faculty in EEE Department, PSNA College of Engineering and Technology, Dindigul, Tamil Nadu. He is a Govt. certified trainer for NIPAM, Mission 2.0 of the Government of India He has to his credit 7 patents and has drafted and processed over 50 patents.

In his session, Prof. Dayan demonstrated to the audience the various sites and the methods to file patents. Hands-on training was provided to participants to teach them the methodology to file for copyrights. The program empowered the audience on the manner in which ideas could be transformed into viable products useful to society.

The session was conducted under the guidance of Special Officer Dr. R. Madhavi and under the aegis of the Principal Dr. S. Kalpana. This FDP is a quality initiative of the IQAC and IIC of the institution. All participants are to receive certificates of participation from the Government of India.

## Key takeaways of the FDP

- ✓ Need for Ideation& Innovation
- ✓ Need for IPR, Patenting and Copyrighting
- ✓ Types of IPR
- ✓ Simplified patent search tutorial with necessary link
- ✓ Careers in the Patent Industry
- ✓ Need and ways to apply for copyrights.

## Outcome of the FDP

Faculty became well versed about the ways and means to search for Patents already existing and they were ready to apply for Patents and Copyrights.
