

Orientation Programme to First Degree Students

Dates: 27-11-2024 to 30-11-2024

The orientation programme for first-year students was successfully conducted to introduce them to the academic structure, campus facilities, and student support services. The event aimed to ease their transition into college life and provide them with essential information for a smooth academic journey.

Programme Details

The programme commenced with a welcome address by the Principal Dr. S. Kalpana, who highlighted the college's vision, mission, and achievements. The Principal, along with the Special Officer Dr. R. Madhavi, emphasized the importance of quality education and shared details about the college's various rankings, accreditations, and recognition at national and international levels.

The Academic Officer Ms. A. Harika then explained the examination system, covering assessment patterns, grading schemes, and academic policies. Following this, the Additional Controller of Examinations Ms. K. Sri Lakshmi addressed the students, providing insights into examination procedures, regulations, and student responsibilities.

The Placement Officer Ms. P. Harika briefed students on career guidance, training programs, and job placement opportunities, highlighting the success of alumni in securing positions in reputed organizations. The IQAC Coordinator Dr. Mohana Rupa addressed the students, explaining the college's commitment to continuous improvement, quality education, and student welfare initiatives. PPT Presentation was given to help students familiarize themselves with the library, laboratories, hostel, canteen facilities and about culturals, sports and the overall activities that are taken up in the college regularly.
