## **Participants :-**

80 students of III MPCs ; II Phy (Major) & I Phy (Major)

## **Description of the Programme :-**

The Department of Physics organized an awareness program on “Science and Research”.

“Those who invest in science invest in future, those who cut science hope for the best” is a famous quotation in science.

The Resource persons emphasized the importance of research after the completion of Degree courses.

They said that students will understand not only the scientific methods, but the importance of asking good questions and of tackling hard things as they seek knowledge and wisdom.

## Feedback :-

Students interacted actively with the resource persons by posing questions and knowing answers to them.
