Title: National Education Day

Objective: To encourage students to become entrepreneurs and job creators.

Speaker Details: Dr. Sr. Sandy D Cunha, Assoc. Prof. Dept. of English, Andhra Loyola Institute of Engineering & Technology, Vijayawada.

Key points: A guest lecture was organized on 11/11/2024 to degree students. Resource person Dr. Sr. Sandy D Cunha, spoke about the importance of education in the modern day. She stressed that young girls need to stand on their feet and focus on their self-esteem. She spoke about the need for youngsters to contribute for the upliftment of society and in turn themselves. This is solely possible if the students have a clear line of thought and a vision to achieve their aims and ambitions. She also emphasized that youth should focus on building a positive mindset towards startups and entrepreneurship. The youth of today are tomorrow's citizens and they need to take a proactive role in Nation building.

Participant details: Two hundred degree students from SDMSM Kalasala participated in this seminar.

Photos:

Key outcome of the program: Students were motivated to think out of the box and to become self-sufficient for the larger good of the society, the Nation and the World.

Feedback of students: Students listened keenly and were inspired to take up tasks which are economically and ecologically viable.
