

In Celebration of the GOLDEN JUBLIEE of Siddhartha Academy of General & Technical Education
(1975-2025)

DEPARTMENT OF MATHEMATICS

REPORT ON FIELD TRIP TO SCIENCE EXHIBITION

The Department of Mathematics organized a field trip for the II and III B.Sc. Mathematics students on **11th September 2025** to visit the science exhibition “**Atoms in the Service of the Nation Science Exhibition**” held at P.B.Siddhartha College of Arts & Sciences. The event was jointly organized by the Department of Physics, PBS College, in collaboration with the **Indira Gandhi Centre for Atomic Research (IGCAR)**, Kalpakkam, Tamil Nadu.

The exhibition provided the students with an enriching learning experience through practical visual displays. They gained valuable insights into the types of radiation, the schematic flow diagram of Pressurized Heavy Water Reactor (PHWR) power station, aspects of radiation safety, and the functioning of the Gamma Ray Chamber-5000.

This visit enhanced the students’ scientific outlook and awareness of the applications of atomic research in the service of society. The program proved to be highly informative and inspiring for the students.
